

CASEY MOORE
cmoore@seabird.com
541-760 - 3407

Casey Moore is president Sea-Bird Scientific. Sea-Bird is a world leader in development and manufacture of in-water sensors for determination of physical, biological and chemical properties and components in the water.

EDUCATION

MSc, Scientific Instrumentation, University of California at Santa Barbara, 1983.
BS, Physics, Lewis and Clark College, 1980.

EXPERIENCE

2013- Present: *President of Sea-Bird Scientific*
1992- 2013: *President of WET Labs, Inc*
1990–1991: *Senior Development Engineer, Sea Tech, Inc.*
1987–1990: *Technical Director, Center for Free Electron Lasers, University of California at Santa Barbara.*
1983–1986: *Engineer, University of California at Santa Barbara.*

PATENTS

Co-inventor, Patent #5,424,840 for a Chlorophyll Absorption Meter.
Co-inventor, Patent #8,382,540 for “Method and apparatus for controlling the motion of an autonomous moored profiler”
